Discussion topics

Item	Notes
Year 8 - IAB Call for Research	<ul style="list-style-type: none">• “Call for Research” will be sent out to all CVDI sites and researcher no later than Thursday, January 31, 2019• Site Directors will have the month of February to evaluate and vet their local proposed projects• The deadline for Site Directors to submit their vetted projects for presentation at the IAB Spring Meeting is Friday, March 1, 2019• <u>UL Lafayette</u>: It has been determined that there is no need for a meeting with Schumacher Clinical Partners or Tieto prior to the IAB Spring Meeting (research needs have been identified)• <u>UL Lafayette</u>: There is a need to set up individual meetings with USGS and CGI to discuss their research needs prior to the IAB Spring Meeting (Sally will set up these meetings after the “Call for Research” is sent out)
USGS Status	<ul style="list-style-type: none">• USGS was a UL Lafayette IAB member for Year 6• They are not currently an IAB member for Year 7• USGS plans to rejoin CVDI for Year 8• There is currently a small bit of work to complete the Year 6 USGS project (Raju will ask Henry if he needs help)
CVDI IP Issue - UVA & Capital One	<ul style="list-style-type: none">• Capital One signed an agreement with both UVA’s Data Science Institute (DSI) and CVDI• The agreement from DSI and CVDI are in conflict regarding IP terms• UVA Site Director, Peter Beling, is working through this issue

Action items

- Sally Johnson** After “Call for Research” is announced, set up a meeting between UL Lafayette researchers and USGS to discuss needs for possible Year 8 project. 2/12/19: Matt & CVDI leadership will handle meeting.
- Sally Johnson** After “Call for Research” is announced, set up meeting between UL Lafayette researchers and CGI to discuss needs for possible Year 8 project. 2/12/19: Matt & CVDI leadership will handle meeting.
- Raju Gottumukkala** Email or speak with Dr. Henry Chu to see how he can help to wrap up the Year 6 USGS project.
