- Sally Johnson

Discussion topics

Item	Notes
UL Lafayette Proposed Year 8 Projects	<ul style="list-style-type: none">• Discussed where we are on Year 8 projects and funding for these projects
Student Internships	<ul style="list-style-type: none">• CGI & Schumacher Clinical Partners are both interested in the internship program• Dean Domingue is working on developing an agreement• Raju suggested that the internship program may want to use past CVDI outcomes & see if the students can further develop the technology so that it could potentially be commercializable/publishable
Tieto's trip to Lafayette	<ul style="list-style-type: none">• Matti & Tomi (Tieto) will be back at UL Lafayette in May & June• Raju is not available during their proposed visit during two weeks in June <p>ACTION ITEM: Matt will send email to Matti & Tomi (Tieto) to confirm the dates that they are coming to Lafayette</p>
