Discussion items

Item	Notes
Project 7a.005.UL_UVA	A Cyberinfrastructure System for Real-Time Flood Forecasting in Low-Relief Coastal Plain Basins <ul style="list-style-type: none">• PIs: Emad Habib (UL Lafayette) Jon Goodall & Peter Beling (UVA)• Matt stated that there was a call with UVA. Matt did send out an email to Rich Bissonette & Sumit Shah from CGI regarding the transfer of funding & he copied Vijay & Peter Beling.• The project team will need to decide how to present their project update at the upcoming Fall Meeting (in two parts or combined)• This project is still pending approval from CGI but the initial comments were positive
Project 7a.003.UL	Ontology-Based Fast Semantic Indexing for Structured and Unstructured Data in Health Care <ul style="list-style-type: none">• PI: Satya Katragadda• Satya has a graduate student starting work today on the project• Satya stated that they are meeting with Schumacher Clinical Partners this Thursday to talk to them on where we are on the project & the timeline (short-term & long-term) on their expectations• Matt requested that Satya remind Schumacher of the Fall Meeting & to sign up to attend (whether it is Chris Cotteleer or Mike Lucito). Also ask if they would present a one-page presentation on their research direction or research needs at the Fall Meeting.• Sally has send email invite to Fall Meeting to both Chris Cotteleer & Mike Lucito
CVDI IAB Fall Meeting	<ul style="list-style-type: none">• November 14-15, 2018• After introductions, we will break out into poster sessions (one in the morning & one in the afternoon)• 32" monitors with HDMI will be provided• Researchers can use the approved template or a demo for the poster sessions (their choice)• LIFE forms will be used for this meeting. Sally has already set this up.
